PROFILE SUMMARY

Video, post-production and social content for commercial clients since 2018, alongside my own short films and playable game prototypes. On most of them I did the directing, the VFX, the edit and scheduling. Tight deadlines, no budget to absorb mistakes.

AVAILABILITY TIMELINE

From October 2026: 20 h/week alongside studies.
Mandatory internship: Spring 2027 - 300 hours minimum, no upper limit, can run as long as the role needs.

(Detailed visual breakdowns, playable builds, and video productions are available at danila-trofimov-portfolio.com)

PROFESSIONAL EXPERIENCE

FREELANCE CLIENTS | INTERNATIONAL
DIGITAL VIDEO & POST-PRODUCTION SPECIALIST | 2018 - CURRENT

- Manage the **full production cycle** for commercial clients: **20+ commissioned projects**, from a regional TV broadcast for the Ministry of Culture to independent music videos and on-site coverage of international art and business events.
- Build complex VFX integrations involving **3D camera tracking**, **green-screen compositing**, and placing live actors into **Cinema 4D environments**.
- Produce **trend-led social media assets** on a **recurring basis** for three private medical clinics: regulated content, full rights transferred on delivery.

CASINOS AUSTRIA AG | VELDEN AM WÖRTHERSEE, AUSTRIA
EVENT TECHNICIAN & MARKETING SUPPORT | 06/2024 - 08/2024

Link tinyurl.com/Dienstzeugnis

- Ran sound, lighting and video for live events with **over 300 attendees** - *Avolites Pearl Expert Pro*, *Allen & Heath dLive* - including **full stage setup and teardown**.
- Produced and edited **multi-camera video documentation**, including 360-degree video footage and animated infographics for social media campaigns.
- Covered a full summer season across galas, cabaret nights, concerts and congresses with a different format and stage build for each.

EDUCATION

UNIVERSITY OF APPLIED SCIENCES BFI VIENNA

BA INTERACTIVE MEDIA AND GAMES BUSINESS (DE) | 09/2024 - CURRENT

Link tinyurl.com/FH-Zeugnis-Aug26 | **Specialisation** International Production Management & Digital Marketing

- **Built and shipped** playable prototypes in three engines - **Unity, Unreal** and **Godot** - picking up each one for the project that needed it.
- Handled the **full 3D pipeline** on a two-person Unity game: texturing, rigging, animation and occlusion culling.
- Ran **audience and target-group research**: defined who the work was for, tested it against them, and turned the results back into production decisions.
- Ran production coordination on team projects in **agile sprints** - planning, task allocation, and the call on what gets cut when the deadline doesn't move.

UNIVERSITY OF KLAGENFURT

BSC ROBOTICS AND ARTIFICIAL INTELLIGENCE (EN) | 10/2022 - 09/2024

Link tinyurl.com/Abgangsbescheinigung | **Credits** 61 ECTS

- Built a foundation in **computational logic** and **algorithm design (Java)**, learning to deconstruct complex technical challenges systematically.
- **Moved to Vienna** to put that training to work in hands-on media production.

INTERNATIONAL LOMONOSOV SCHOOL NIZHNY NOVGOROD

INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME | 09/2020 - 06/2022

INDUSTRY PRESENCE & RECOGNITION

The Art of Connection, La Citadelle Metz (June 2026):

- Selected as an exhibiting artist at an international contemporary art exhibition presented in partnership with Basel Investor Forum, where the short film I directed, produced and did the VFX for premiered in the video art programme.

Vienna Game Dev Meetup:

- Presented a tower-defence prototype live to 100+ working developers (04.25) and ran market research with the same audience for a gaming hardware project (11.25).

Gamescom & Devcom, Cologne (2025, 2026):

- Attend independently each year to build contacts in the DACH industry.

Renault Global Challenge (2020) - International Winner:

- Lead 3D Designer at age 15. Translated a 98-person user survey into a complete, sustainable architectural concept in Cinema4D that won first prize.
